

Back 2 School Drive

INSTRUCTIONS FOR HOSTING YOUR OWN PARTY

First off thank you for supporting HOW and the work that we do. Because of the generosity of people like you, we can go above and beyond for our clients. Below are the steps on how you can host a back 2 school party and fill backpacks for HOW students with all your friends!

Step 1: Decide on a date and let people know!

HOW's Back 2 School drive will be running until August 20th so once you decide on a date with your friends be sure to promote it and the items you want your friends to bring.

Step 2: Promote on Social Media

This is the best way to spread the word about what you are doing! Don't know what to post? Feel free to repost from any of HOW's social media channels to help get the word out. Have friends that live to far to join in person? Share HOW's amazon wish list, or set up a venmo so you can shop for them.

Step 3: Party time!

Put on some tunes and put out some snacks, and enjoy stuffing bags and swapping back-to-school stories with your friends. Be sure to print off the provided guide so your friends can learn about the work HOW does and what goes in every backpack. You could even write encouraging notes to HOW students to put in the backpacks.

Step 4: Drop off the bags

Email Noelle Moore at nmoore@how-inc.org to schedule a time to drop off the bags before August 20th.
